

# IMMIGRANTS

## PRINTMAKING FROM ARTISTS AT DENMARK'S FUNEN GRAPHIC WORKSHOP

*On exhibit*

JANUARY 27 THRU MARCH 25, 2007

Encompassing 50 pieces of art by nearly as many artists, this exhibition confronts the viewer with the struggle that constantly roams within the immigrant: the perpetual tension between preserving your heritage and assimilating to a new society, and the many ways of dealing with this tension.
